Dear Sirs,

Motorship "OSCAR BORJESSON"

I have your letter of the 1st instant and in reply to the enquiry contained in the third paragraph would remark that as the class will have been cancelled for the contemplated voyage, the question of bilge pumping arrangements while in tow as a hulk is not a matter which concerns this Society, but is one which must be left to the discretion of the parties responsible for the towage, in conjunction with the Owners.

Yours faithfully,

Deputy Clerk to
the Classification Committee.

The Surveyors,
BERGEN.
