LONDON.

PORT OF GLASGOW

22nd. November, 1949.

Dear Sirs,

F.V. "FAIRFREE"

E.

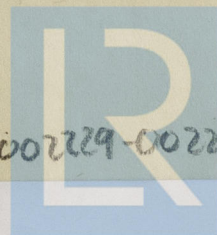

I was duly favoured with your letter of the 10th ultimo, and have to thank you for the particulars of the stand-by refrigerating plant for the above vessel, which have been noted.

Further, with regard to the spare gear enumerated in my letter of 25th August last, I have to point out that these additional spares are required because the components of the two units are not interchangeable, as required by Section 2, Clause 3 (c) of the Society's Rules.

Yours faithfully,

Secretary to the
Scottish Committee.

Messrs. Chr. Salvesen & Co.,
