Glasgow Surveyors' letter dated 11th Oct.

It is submitted that the Surveyors be informed that the copy letter from Mess^r Chr. Salvesen & Co has been read noted & their remarks concerning the capability of the standby plant have been noted.

With regard to the spare gear enumerated in the Secretary's letter of the 25th August, it be pointed out that these additional spares are required ^{because} the two units components of the two units are not interchangeable as required by Section 2 Clause 3(c) of the Rules.
