Dear Sirs,

With reference to the case of the steamer "FOLDA", it has been stated in a communication received at this Office from the Owners that this vessel has been sold to the British Iron and Steel Corporation for breaking up at Rosyth, where she arrived on the 30th March. In the circumstances I have to refer to your memorandum of the 23rd April relating to the vessel and shall be glad if you will confirm that your remarks contained therein definitely refer to the vessel in question. No information has been received to the effect that the vessel was under survey at Blyth in February.

Yours faithfully,

The Surveyors,
LEITH.
