QUESTION

ANSWER

With reference to my telegram of the 2nd March, I shall be glad to learn how this case now stands as regards the carrying out of the Special Survey, Boiler Survey and Screwshaft Survey.

I would remind you that the Load Line Certificate expired on the 28th March, 1956.

Chas. G. Ford

Date:— 23rd April, 1956.

The Owners inform us that the Loadline and Boiler Surveys on the above vessel were carried out at Blyth in February last. The vessel was Dry-docked in September, last but the Owners omitted to call a Surveyor in. The Owners state that they will make arrangements at the earliest opportunity to drydock the vessel.

Chas. G. Ford
