71, Fenchurch Street, London, E.C. 3.

27th September, 1922.

Dear Sirs,

I have to acquaint you that freeboard assignment is required for the S.S. "ATLAS", No. 53770 in the Register Book. The vessel is being submitted with a view to classification in the Society's Register Book, and the plans are now being examined.

It is understood that the vessel is now in Fletcher's Dry Dock. I shall therefore be glad if you will measure the vessel for freeboard assignment, and forward full particulars of sheers, lengths and heights of erections, hatchways and all other particulars required on report form 11b.

I may add for your information that the sheers at ends are stated to be 82 inches and 34 inches respectively.

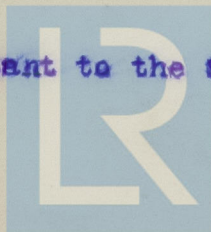

I am, Dear Sirs,

Yours faithfully,

*C. Redman*

Assistant to the Secretary.
