

ARD REPORT on the "Fog do Douro"

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval, *subject to all sails being removed as now proposed.*

The usual copies of the freeboard computation report as a "steamer" and the load line certificate copies shall be sent to the *higher* Surveyors for approval by the Portuguese authorities after all sail has been removed.

In view of the impending ^{sailing} of the Register Both the Surveyors should notify this Office by cablegram ~~when~~ immediately all sail has been removed, in order that the ship may be recorded under "Steamers & Motorships" only.
