SURVEYORS.

Dear Sir,

With reference to your letter of the 6th. February last respecting the above vessel we have today received a letter from the Portuguese Ministry of Marine stating that while the vessel retains its present sail area the freeboard should be as for a sailing vessel.

We shall therefore be glad to have two copies of the computation, if now amended, for approval by the Authorities together with new Load Line Certificates for issue on the vessel's return to this port.

We are, Dear Sir,

Yours faithfully,

G. Drum

The Secretary.
