## Lloyd's Register of Shipping,

Praça Duque da Terceira, 24-2.º-E.,

Lisbon, 25th. May 1943

DIXON  
ENGINEER SURVEYOR.

Barque "FOZ DO DOURO".  
ex  
"ABRAHAM RYDBERG"

Dear Sir,

We have today forwarded a telegram reading as follows:-

PLEASE FORWARD FREEBOARD CERTIFICATES URGENTLY AND IF  
POSSIBLE COPY TONNAGE MEASUREMENT CERTIFICATE FOR FOZ  
DO DOURO EX ABRAHAM RYDBERG

This vessel was surveyed at Baltimore, and has a provisional  
freeboard certificate for six months but which is not valid in  
Portugal.

The vessel is also being remeasured for tonnage, and owing  
to the presence of about 200 tons of sand ballast on board, the Agents  
have requested a copy of the original tonnage measurement certificate  
to facilitate the survey and avoid delay.

We should therefore be obliged if you would kindly forward  
the Freeboard Certificates and, if at all possible a copy of the  
Tonnage Measurement Certificate.

We are, Dear Sir,

Yours faithfully,

The Secretary.
