ER SURVEYORS.

Steel Tw. Sc. "FOZ DO DOURO". (ex. sailing vessel)

Dear Sir,

*U.S. Phil 6 45-
Commission to motor vessel
cpt not yet recd.*

The above vessel has now arrived at this port from Philadelphia where oil engine machinery was fitted and alterations affecting the Load Lines were carried out.

We shall therefore be glad if you will kindly forward two copies of the amended freeboard computation for approval by the Portuguese Authorities together with new Load Line Certificates. A provisional certificate for 6 months was issued by the Philadelphia surveyors. This certificate has been withdrawn by the Portuguese Authorities and their provisional certificate issued.

In connection with the question of insurance the Owners wish to know if this vessel can now be registered as a motor ship even while retaining the sailing gear or if, due to the sailing gear being retained, the machinery now fitted is only regarded as 'Auxiliary'.

We are, Dear Sir,

Yours faithfully,

The Secretary,
London.
