Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.3.

27th January, 1939.

H. Dear Sir,

From information which has been received by this Society it appears that the steam trawlers "CAPE HARPLEY", "CAPE DUNER", "LADY LILIAN", "LADY ADRIANNE" and "LADY HANDELING" are being taken over by the Admiralty.

It is concluded that the classification of these vessels with this Society will no longer be required by your Board, and that it will be in order for the particulars of these vessels to be omitted from the forthcoming reprint of the Society's Register Book.

Before, however, taking any action the Committee will be glad to be furnished with an expression of the Board's wishes in the matter.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary of the Admiralty,
WHITEHALL.
