13th September, 1954.

Dear Mr. van der Weel,

I have not acknowledged your letter of the 19th ultimo regarding fire extinguishing apparatus on board Dutch coastal motorships as I have been waiting for the official Groningen reply in the case of the "GRAMSBERGEN" promised in the last paragraph of your letter.

I feel sure our technical people will agree to your proposal but perhaps you will be good enough to ask Groningen to let us have their statement that the remaining requirements of Chapter F were complied with in that particular case.

With kindest regards,  
Yours sincerely,

P.H. van der Weel, Esq.,  
ROTTERDAM.
