The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

of Survey

It is submitted that as the survey for classification is incomplete no action is necessary on this report.

S. 26
29.10.

The Surveyor's attention should be drawn to the secretary's letter of the 22nd of September last referring to the watertight bulkheads, and he should be requested to state whether he is ^{fully} correct in reporting 8 watertight bulkheads extending to the upper deck.
