ENCLOSURE.

7th February, 1927.

Dear Sir,

I am in receipt of Mr. Gunner's letter of the 28th ultimo forwarding for consideration of the Committee a sketch showing bilge pumping arrangements proposed for the s.s. "MIRANDELA" (No. 77454 in the Register Book), which vessel, I note, is proposed to be classed with this Society, and with regard thereto, I have to acquaint you that the bilge pumping arrangements are such as can be accepted, provided the arrangements be as shown on the sketch.

The sketch in question is returned herewith, but particulars of the sizes of the main engine cylinders, crank, thrust, intermediate and screw shafting, diameter of propeller and description of the screw shaft liner do not appear to have been received at this Office, and I shall be glad to receive these at your early convenience.

I am, Dear Sir,  
Yours faithfully,

George Payne, Esq.,  
LISBON.
