

S.S. "MIRANDELA" ex "FERNÃO VELOSO" ex "KHALIF".

No.77454 in the Register Book.

Proposed Classification.

The plan of boilers for this vessel was dealt with on the 22nd September last.

The Lisbon Surveyors have now forwarded a sketch showing bilge pumping arrangements for consideration.

The Pumping arrangements as shown on the sketch are such as might be accepted.

IT IS SUBMITTED that the bilge pumping arrangements are such as could be accepted, provided the arrangements be as shown on the sketch.

The Lisbon Surveyors should be informed accordingly, and be advised that particulars of the sizes of the main engine cylinders, crank, thrust, intermediate and screw shafting, diameter of propeller and description of the screw shaft liner etc do not appear to have been received at this Office.

Return sketch.
