LLOYD'S REGISTER
LONDON.
DEC 1914

Reference

Sir,

I beg to acquaint you that the new Steamer "Arkleside",
Messrs. W. Harkess & Son's No. 208, has left this port for
Sunderland to receive her engines.

The vessel will not be returning to this port.

To complete the First Entry classification survey on the
hull, the following remains to be done :-

Deck pumps to test (Downton to be tried from furthest
suction) Steam and Hand Steering gear and Windlass to be
tested, bilge suction pipes to be completed and casings to
be riveted up.

The Surveyors at Sunderland have been advised.

I am, Sir,

Your obedient servant,

Wm L. Gilman

The Secretary,

L O N D O N.
