1st January, 1915.

Dear Sirs,

M. I have to inform you that the steamer "ARKLESIDE"
(Messrs.W.Harkess & Son's No.208) is to be fitted with her
machinery at your port, and that to complete the survey for
classification the following requires to be done:-

Deckpumps to be tested (Downton to be tried from furthest
suction), steam and hand steering gear and windlass to be
tested, bilge suction pipes to be completed and casings to
be riveted.

I shall feel obliged if you will kindly give
the case the necessary attention and forward a report on form
No.8, on completion of the work to your satisfaction, with a
view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
SUNDERLAND.

Secretary.
