Dear Sir,

m.s. "LINDESNÄS".

With reference to your classing letter dated the 10th instant relative to Gothenburg First Entry Report No. 17245 on the hull of the above named vessel, I have to state that the scantlings of the frames in the peaks are in agreement with those on the midship section as built, viz:- 115 x 65 x 8 mm. welded angles, and not as inadvertently stated in the report.

Yours faithfully,

THE SURVEYORS, Gothenburg
