

LLOYD'S REGISTER OF SHIPPING,  
NEW YORK.

AIRMAIL

April, 10, 1957.

Dear Sir:

I wish to acknowledge receipt of your letter of the 11th instant regarding ships of the United States Government Reserve Fleet and note that these cases have again been reviewed by the Committee who feel that the time has arrived when a notation of "Class Suspended" should be added to the existing notation of "Laid up - Surveys overdue" which appears in the Register Book in each instance.

It is appreciated that this action hardly alters the present position and under the circumstances we have advised the U.S. Coast Guard, Washington, D.C. regarding the added notation.

The Coast Guard have indicated their appreciation at being advised of this change.

Yours faithfully,

Secretary to the American  
Committee

The Secretary
