Sir,

With reference to the new steamer "MORETON BAY", (Messrs Vickers' No.573) now almost completed, I beg to state that she will sail from this port in the early part of next month, for Australia via Liverpool and London. I have been informed by the Board of Trade that the registration and the assignment of the Official number will be carried through at Brisbane on the vessel's arrival there.

I shall therefore be glad if you will kindly inform me as to the procedure in connection with the Freeboard Certificates, which are at present in this office, and whether under the circumstances I should issue the same to the Builders without the official number being marked thereon.

I am, Sir,

Yours faithfully,

Thomas S. Shute
