2 Enclosures.

5th February, 1926.

Dear Sir,

S,

With reference to Glasgow First Entry Reports No. 45332 on the Steamer "SCILLONIAN", I have to acquaint you that from a report now received from the Society's Falmouth Surveyors it appears that the necessary wood-cased suction pipe has been fitted from the after end of No. 1 hold to the boiler room bulkhead in this vessel, and in the circumstances the Committee have to-day assigned to the Steamer the classification +100A1, with notations of Lloyd's A & CP and +LMC 1,26 CL, and I enclose herewith classification certificates accordingly.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
GLASGOW.
