Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

23th January, 1926.

Dear Sirs,

I have to acquaint you that the steamer "SCILLONIAN", recently constructed at Glasgow, is reported to have proceeded to your port and that in order to complete the classification survey a suction pipe from No.1 hold requires to be fitted.

I have to request that you will be good enough to let me know by return of post whether this matter has received attention, and you should forward your report on form "Rpt. 8" with the least possible delay.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

FALMOUTH.
