PAM

12th April, 1924.

Dear Sirs,

S. I duly received your letter of the 9th instant intimating that the Owners of the steamers "WHEATCROP" and "WHEATHALIN" have paid to you the amounts outstanding to the Appledore and Bristol Offices for the Special Survey during construction of the hulls of these vessels.

I have since been in communication with the Society's Glasgow Office regarding the balance of the fees due for the survey of the boilers, and have now received a telegram stating that the amounts in question have been paid to-day.

In the circumstances the cases of these vessels now appear to be in order, and the classes will at once be entered in the Register Book.

I am, Dear Sirs,

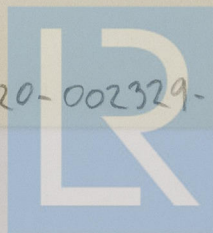

Yours faithfully,

Assistant to the Secretary.

The Surveyors,

CARDIFF.
