

Dear

LONDON, MIDLAND & SCOTTISH RAILWAY COMPANY

REFRIGERATING INSTALLATIONS OF s.s. "ROTHER", "DON", & "DEARNE".

The Owners state that the s.s. "Rother" is now to be requisitioned by the Ministry of War Transport for the carriage of refrigerated cargoes and that extensions to the refrigerating installations will be carried out similar to those already advised for the s.s. "Don" and "Dearne". It is stated that the work on all these vessels will be executed at Holyhead.

IT IS SUBMITTED the Liverpool Surveyors be advised accordingly and be requested to make arrangements with the Owners regarding the survey of the refrigerating machinery and appliances of these vessels with a view to R.M.C.'s being granted.
