Drilling Pontoons S.Q.9 and S.Q.10"

With reference to your letter dated 16th inst., we
ve now written to the Owners of the Drilling Pontoons "S.W.9
d S.Q. 10" at Doha, Qatar. As the mail service between
srah and Qatar is very irregular, we think it will take some
nsiderable time for this matter to be settled, and we will keep
advised in due course.
