11th March, 1930.

Dear Sirs,

M. I am in receipt of your letter of the 8th instant, forwarding translation copy of one received by you from the Odense Staalskibsvaerft relative to the freeboards of their Yard No. 41, and with regard thereto I have to request that you will inform the Builders that although the Loadline Committee have recommended a reduction in freeboard for oil carrying vessels, the amount has been left for consideration by an International Committee. In the circumstances it is not possible to state what modification may be required in the scantlings of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

COPENHAGEN.
