

27th January, 1961.

LE HAVRE

"BRUNEVAl" - With reference to my classing letter of the 22nd December, I shall be please to learn if you are yet in a position to let me know what arrangements have been made for the Continuous Survey to be completed.

10235 "ABEILLE 14" - As recommended. In view of the fact that the Screwshaft Survey was not held at this time it is concluded that the ship is to be broken up as indicated in your letter of the 3rd October, but please confirm this.

10237 "LANNION" - As recommended. In addition to the items given in your report for completion of the Main Boiler Survey the oil fuel installation also remains to be examined under working conditions, and I shall be glad if you will issue an amended Interim Certificate accordingly.
