

Ship's name

"A K E R A"

Survey port

Osl. No. 9309

Bgn. No. 4847

Last survey date 28.6.61.

"Surveys Overdue 3,60' is recorded in the Register Book.

The class is subject to indented shell plates No.1 in 5th & 6th below sheer (p.s.) and shell plates C.6 & 7 (s.s.) from forward being dealt with at the Special Survey.

The OSLO Surveyors, in reply to an enquiry regarding the requirements prior to this ship sailing to the East for breaking up purposes, were advised by cable dated 24.5.61 that it should be generally examined and found or placed in a satisfactory condition for the desired voyage, the certificate to indicate that the ship is unclassified during the voyage.

The OSLO Surveyors report (6,61), a General Examination in accordance with Circular No.1959 held afloat and the ship found in a satisfactory condition for the desired voyage subject to a satisfactory docking survey being carried out.

The BERGEN Surveyors report (6,61), this ship examined in dry dock and minor repairs effected.

The conditions of class as above have been examined and continue efficient.

The Surveyors also report the ship in satisfactory condition for the proposed voyage to Japan.

Normally the examination in dry dock at Bergen would entitle the ship to a record of 'DS 6,61' but in view of the fact that the ship is proceeding to Japan for breaking up purposes the assignment of a docking record as above is submitted for the consideration of the Committee.

It is also submitted further ACTION be DEFERRED pending disposal of this ship.
