

19th Sept 1913.

The Surveyors Glasgow

Dear Sirs

A new Steel Steamer
 here by the Dublin Dockyard Co. &
 at Patricia, is intended to be towed to you
 on Sunday first, for completion, and to have
 Engines & Boiler fitted by Rop & Duncan,
 as Cocks & tail shaft are fitted in the
 & way & this vessel will no doubt receive
 attention in due course. Should the plans
 requiring arrangements be required kindly
 we know.

Yours Faithfully
