"P
Etruria"

25th. September 1930

Dear Macadam,

Mr Moffat has omitted to enter the boiler certificate number and date of test on Hull report No. 41146 on the boilers of the Trawler "Lady Elsa".

Will you kindly obtain these particulars and forward them to me, so that the report may be completed before filing?

Trusting you are keeping fit and with kindest regards,

Yours sincerely,

G. H. Macadam, Esq.,

HULL.
