3rd February, 1931.

Dear Sirs,

S.

I have to acknowledge the receipt of your letter of the 2nd instant respecting the machinery certificate for the new Motor Tanker "F. H. BEDFORD JR.", and have to say that this was forwarded to the Society's Surveyors at Hamburg on the 5th ultimo. I am, however, writing to them to-day requesting them to ascertain from Messrs. Krupp if the certificate has already been forwarded, or whether it is in their possession; if so to arrange for the same to be despatched without further delay.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

MIDDLESBROUGH.
