LLOYD'S REGISTER OF SHIPPING.

Laxmi Building,
Ballard Road,
BOMBAY 1.

8th June, 1959.

Dear Sir,

"AFRICA"

We informed your Bombay office that this case had been submitted to the Committee who had given instructions for the class of the ship to be expunged and a notation "To be broken up" entered against the ship's name in the Register Book, but they now say your decision to send the ship to Bombay for this purpose has been cancelled.

We shall be glad to know if this ship is to be broken up at Aden so that we may inform our Principals accordingly.

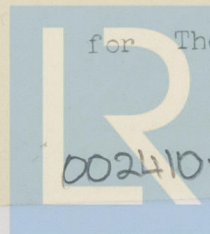

Yours faithfully,
