Received from Chief Ship Surveyor _____

VESSEL'S NAME Ste. S. S. Africa Report Brw. No. 1225

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

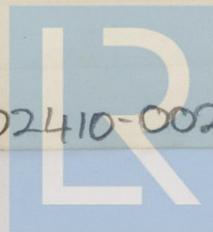

Nature of Survey _____

Frit entry

It is submitted that before this case receives the consideration of the Committee, the Glasgow Surveyors should be informed that this vessel has been taken to their port to be fitted with her machinery, and that to complete the survey for classification the engine and boiler casings require to be riveted up, after the machinery is fitted, and a kedge anchor of proper weight and test placed on board. On completion of these matters to their satisfaction they should report the same on form No. 8 for the information of the Committee, with a view to the classification of the vessel.

Lv: to Glasgow
