

s.s. "EMPIRE DEED" & "EMPIRE ROCK"

Mr. Ventouris telephones to say that these two vessels have been acquired by his Principals, Messrs. S.G. Embiricos & Co. Ltd.. I have informed him that although the "EMPIRE ROCK" is at present classed B.C. we have approved the plans and that the transfer to L.R. class should not present any difficulty. He promised that he would arrange for this to be done at once and it is accordingly submitted the Sunderland Surveyors should be advised, the vessel being now at that port. He will, of course, keep the "EMPIRE DEED" in class.
