9th May, 1946.

Dear Dr. Pickworth,

I am in receipt of your letter of the 8th instant with plan of midship of the "EMPIRE ROCK", and I hasten to assure you that we all appreciate the assistance you have afforded in this case.

S.

The plan has been checked over by the Plans Department here and the vessel is eligible to be classed as far as her scantlings are concerned.

Mr. L.H. Bolton has been informed accordingly and we are now awaiting further developments.

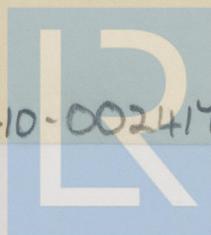

Should you desire the plan to be returned, perhaps you will kindly let me know.

With kindest regards,
Yours sincerely,

R.H.C.

A. Pickworth, Esq., D.Sc.,
SUNDERLAND.
