ENCLOSURE.

Sunderland, 8th May, 1946.

Dear Mr. Cook,

With reference to our conversation regarding the "EMPIRE ROCK", I am forwarding herewith a copy of the Midship Section which the Builders have been good enough to supply.

The Chief Draughtsman who was at Bartrams when the vessel was built states "there was no deviation whatever from the scantlings jointly approved by Lloyd's and British Corporation".

Yours sincerely,

A. Pickworth

R.N. Cook Esq.,
LONDON.
