

Chief Ship Surveyor

Received from Chief Ship Surveyor

NAME Sheels All America Rpt. Ure No. 74869

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Survey

Before this case receives consideration the
Newcastle Surveyors should be requested by
note to state if the plating of E & F staves
has been increased in thickness in way of the
Engine & Boiler spaces where no side stings
are fitted.
