's Name:

Cables ship "ALL AMERICA".

tion:

I shall be glad if you will ascertain from the Owners and let me know what arrangements are proposed to be made to carry out the Boiler Survey, which became due at the end of January last.

wer:

Date: July 22, 1946

The owners advise that this vessel is at present urgently needed for cable work and they do not expect her to be available for Boiler Survey until later in the year. They further state that their records indicate a Boiler Survey was carried out at Callao, Peru in June 1945, but no report of this survey has ever reached this office and I am writing Lloyd's Agent in the matter.
