VE

COPY.

11th June, 1948.

CARDIFF.

56111,119,125. As recommended.

56117. "BALTKON" This vessel has been classed 100A1 3,48 Cff with notations of SS Cff 3,48 (Dr), LMC 3,48 subject as recommended and other recommended notations. It appears from the plan that only two strakes of side shell plating are fitted and not three as reported, but I shall be glad if you will confirm this. I shall also be glad if you will furnish the overall length of the vessel. I have to add that the stream anchor now supplied will be accepted in this instance.
