The class is assigned and maintained upon the understanding that the equipment will be made to accord with the requirements of the Rules when the present state of emergency has passed.

Insert in S.R.L: (A bower anchor and 45 fathoms of chain cable to be supplied).

The Surveyors should be informed it is concluded that there are 12 bulkheads to be recorded in the Register Book for this vessel, and the previous sister ships, and not 11 as reported, but they should state if this is so.
