Dear Sirs,

New Steamer "URD".

We thank you for your prompt reply to our wire which we sent you from Middlesborough asking you to do the necessary with the Norwegian Consul in order to get the necessary papers.

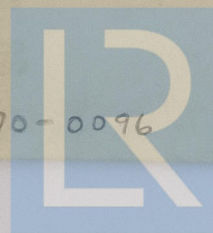

You would perhaps wonder where the telegram came from but the Writer has been at Middlesborough every day this week and signed it "PROPELLER". However, your reply came to "Propeller Middlesborough" but was handed to us promptly.

Thanking you for your kindness.

Yours faithfully,

Th Wawn & Son
