L.L. CERT. EXPIRES
A.L.L. SURVEY DUE

Survey(s) and/or conditions of class under review..... Special Survey due 5.59 postponed until mid 5.60
Main Boiler Survey due 5.60

Outstanding items (if partly held)..... Hull subject:- See endorsement 15.12.59.

Postponements already agreed..... Postponement of Special Survey until 3.60 approved 3.6.59 (GE 5.59). On 8.4.60 the Committee agreed to the Special Survey being further postponed until the ship arrived at Piraeus about mid May and on 27.6.60 further postponement until mid June, 1960 was approved (3 months after the expiration of the year of grace). The Committee agreed to this further postponement, until the ship arrived at Piraeus in mid June, but the Owners were informed that further maintenance of class for a long period would not be justified. The Owners were also informed that the Committee had given instructions for the case to be reviewed by the middle of July, 1960, by which time it was hoped that satisfactory arrangements would have been made for the overdue Special Survey.

New proposal.....

Technical recommendation..... The Owners now state that the ship is laid up in Piraeus owing to shortage of funds, and they are unable to proceed with the Classification Survey at the present time.

Date of Committee..... FRIDAY 19 AUG 1960 *Asmt.*

Minute..... Surveys overdue 5.55

Add "Laid up" to notation - see minutes' ltr. 22.8.60
