Postponements already agreed..... Postponement of Special Survey until 3.60 approved 3.6.59 (GE 5.59). On 8th April, 1960, the Committee agreed to the Special Survey being postponed until the ship's arrival at Piraeus about mid May, 1960 (about 6 weeks after the expiration of the year of grace).

New proposal..... The Owners state that the ship has been delayed and is now sailing from Port Sudan to Piraeus direct, where she is expected to arrive about the 8th June. In these circumstances, a further short postponement of the Special Survey until about the 14th June, 1960 (3 months after the expiration of the year of grace) is desired to allow for any eventuality. The ship is 28 years old.

Technical recommendation.....

Submitted Action be deferred pending further information from Piraeus.
