Classn(S)

Dear Sirs,

Steamer "ASRAR"

I forward herewith a copy of communication which has today been addressed to the Owners' London Agents and shall be obliged if you will advise me immediately should the vessel leave your port, after arrival within the next few days, without all the requirements of the overdue Special Survey receiving satisfactory attention.

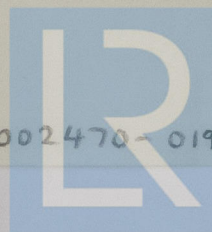

No part of the Special Survey has yet been held; the ship requires to be specially examined at the next drydocking owing to a reported grounding on 28th March, 1960, and the class is subject to permanent lighting up arrangements being fitted at the earliest opportunity.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
PIRAEUS.
