ENCLOSURE

High Close, Wokingham, Berks.

30th April, 1943.

Dear Sirs,

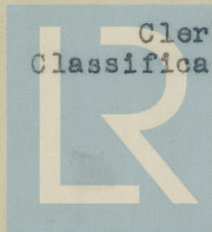

I duly received Mr. Forster's letter of the 21st instant in further reference to the case of the motorship "EMPIRE CAVALIER".

I enclose a copy of the reply which was sent to the Admiralty on the 23rd regarding the spare propeller for this vessel and would add that they now confirm arrangements are being made to recover the spare propeller from the "NATICINA" and place it on board the "EMPIRE CAVALIER".

I am, Dear Sirs,  
Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
NEWCASTLE-on-TYNE.
