Dear Sirs,

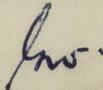

S.S. "ASPHALION"

We thank you for your letter of July 9, and would inform you that the Classification Survey Reports and other particulars regarding this ship are being forwarded to the London office for submission to the Committee.

A copy of your letter is also being sent to the Secretary, London in order that a reply may be given to the last paragraph.

You might be good enough to inform us, for record purposes, the makers of the port main boiler, replaced in August, 1946.

Yours faithfully,

For the Surveyors
