Special Survey due 5.50 - ss Adl 11.50 on completion -  
repairs required to the windlass which has thereafter  
to be fitted on board to complete survey.  
"Laid up pending survey" assigned 6.6.52

posed to be held

marks Action has been deferred in the past on account of the Fremantle  
Surveyors stating in May last that the vessel was laid up pending a  
decision as to her future.

In reply to enquiry the Surveyor states that this vessel is  
still laid up at Albany and attempts to sell her have so far been  
unsuccessful. He adds, however, that it is possible she will be  
bought for scrap and broken up.
