N. 8061.

Lloyd's Register of Shipping.

Port of ROTTERDAM.

13th November, 1939.

This is to Certify that

L. Vuyk.

the undersigned Surveyor to this Society did at the request of Messrs. N.V. Boele's Scheepswerven en Machinefabriek attend on the 10th of October, 1939 and on subsequent dates on their yard at Bolnes in order to survey during construction an electric welded balanced rudder intended for the s.s. "BOSKOOP" of the Koninklijke Nederlandsche Stoomboot My at Amsterdam.

The rudder has been constructed in accordance with the approved plan.

For identification purposes the rudder has been marked as follows:

LLOYD'S.

No. 440.

L.V. 11-39.

L. Vuyk

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly performed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances ever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
