23rd June 1961.

Dear Sirs,

R

M.S. "BRITISH VIRTUE"

With reference to my letter of the 12th June 1959 and previous correspondence, it is concluded that this vessel is still laid up at Barry but your confirmation on this point will be appreciated.

I take this opportunity to remind you that, in addition to the Special Survey and hull conditions of class referred to in previous communications, the Screwshaft Survey, Steampipe Survey and Auxiliary Boiler Survey became due in April, May and November 1960 respectively.

Yours faithfully,

Clerk to the
Classification Committee.
