

S.S. "ANTONIOS A. KYRTATAS"

Mr. Christie of Marcou & Sons (Shipbrokers) Ltd. has telephoned stating it is proposed to sell this ship for scrapping in Japan, to which country she would proceed from Bremen, where she has been laid up.

Mr. Christie now asks for the year of grace for the Special Survey, also to be informed what are the Society's requirements to enable the ship to leave Bremen for Japan. He would appreciate being advised by telephone and letter today.

14th January, 1960.
